

Master of Public Health Program Fall 2009 Workshop Offering

An Introduction to Developing and Managing a Grant Budget

**Thursday, October 22, 2009
9:30AM-2:00PM**

UNH Manchester Campus, 286 Commercial Street, Room 6
Lunch provided.

**Deb Sugerman, PhD
President, Experiential Concepts**

Workshop Objectives

As a result of this workshop, participants will:

1. Learn the steps involved in developing a budget for a grant proposal.
2. Learn the procedures and tools necessary to manage the budget once the grant has been awarded.
3. Demonstrate their knowledge through an experiential exercise.

To Register

Complete the on-line registration form for this FREE workshop at http://www.chhs.unh.edu/hmp/fall09_manage_grant_budget_regform.html. Registration is limited to UNH MPH &PHC students until Oct 1st. After this date, any available slots will be opened up on a first come, first serve basis to other interested public health professionals.

Public Health Certificate Students:

This workshop can be used to meet the workshop requirement for PHP 996 (Applied Topics). It counts as four contact hours and is categorized as focusing on Essential Public Health Service #5 -- Developing policies and plans that support individual and community health efforts.
