## **University of New Hampshire**

**Department of Kinesiology  
Application for Graduate Assistantship  
Page #3**

**On a separate sheet of paper, please describe the skills you possess that will enable you to be an effective graduate assistant in the Department of Kinesiology. In your description, focus on the following items depending on your major area of emphasis:**

- 1. Exercise Science - Describe any laboratory skills or courses (taken and/or taught) pertaining to laboratory methods; describe any adult fitness and/or cardiac rehabilitation experiences you have; list any computer skills; describe any exercise science/kinesiology course you have assisted.**
- 2. Outdoor Education - Please attach your resume and experiential transcript detailing outdoor leadership skills. In addition, go to the UNH OE graduate assistantship website. Describe your abilities to perform specific graduate student duties and rank the order of particular assistantships you wish to be considered for based on your interests and qualifications.**
- 3. Sport Studies - Describe your sport experience as a participant or as a coach and/or athletic trainer. Describe any sport studies coursework you have either taken or taught (e.g. History of Sport, Psychology of Sport, etc.). Describe any computer skills and experience (please be specific, i.e., Web design, statistical packages, etc.).**

**Return this application by February 15 to:**

**Ronald Croce, Ph.D.  
Department of Kinesiology  
University of New Hampshire
