

Graduate Program
Department of Recreation Management and Policy
Personal Statement

The following three questions must be completed as part of your application to the graduate program in the Department of Recreation Management and Policy. Your statement serves to differentiate you from other applicants as to your reasons and desires for a graduate education at the University of New Hampshire as well as providing us with a sample of your writing. You will be evaluated on both the content of the essays and your ability to express and articulate your ideas. These are open-ended questions with no length limitations.

Please copy these three questions, add your narrative responses and submit them to: Graduate Coordinator, Department of Recreation Management & Policy, 105 Hewitt Hall, School of Health and Human Services, 5 Library Way, Durham, NH, 03824. Your application will not be considered complete until your personal statement is received.

Personal Statement:

1. Why are you interested in pursuing a graduate degree in Recreation Administration or Therapeutic Recreation Administration?
2. Describe your primary area of interest within the field of recreation/therapeutic recreation.
3. Why are you considering the UNH Recreation Management and Policy Graduate Program?
